was global warming started by a
'CARBON POLLUTION INCREASE
SCHEME' (CPIS)?

NO

IT WAS BY **WEALTH CREATION**

When charcoal makers were made redundant..... replaced by coal mines

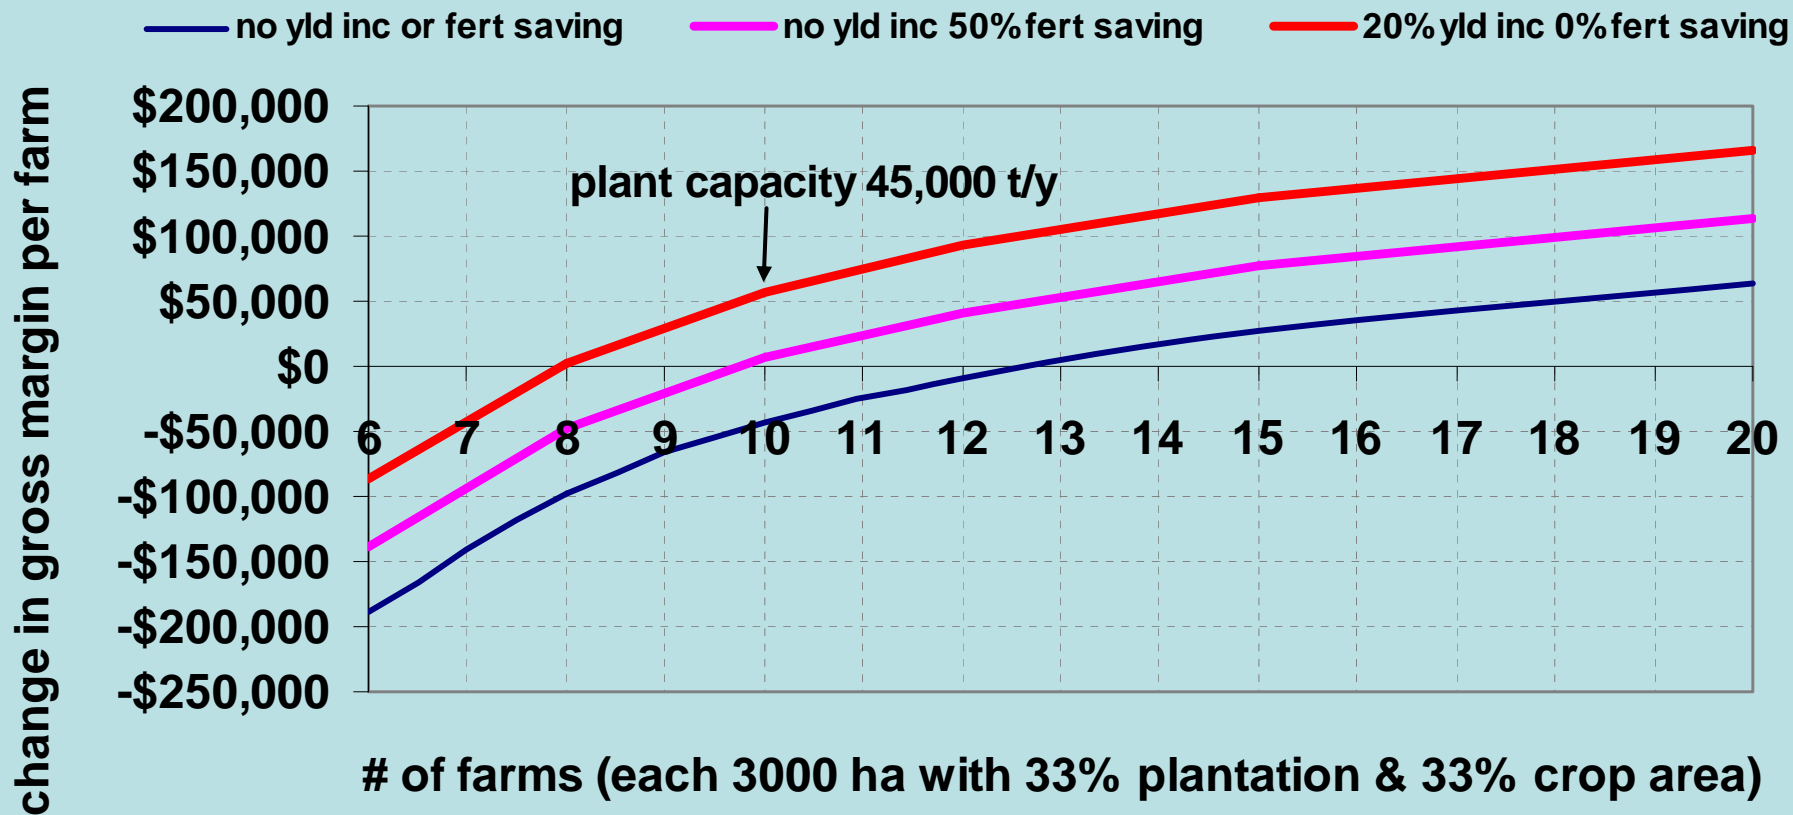

men dressed as 19th
century charcoal makers in
UK replica village

LOOKS LOIK WE"LL AV TO
GO DOWN THE
MINES.....

CHARCOAL'S FINISHED....
TOO PRICEY NOW

Farm Group power and biochar

ADDITIONAL POSSIBLE PROFIT DRIVERS

- VALUE ADDED PRODUCTS; Biochar Mineral Complex (BMC). Activated Carbon (better sequestered), bio-oils..... other?
